

1.	POSTGRADUATE RETREAT: TEAMS AND COMMUNICATION
2.	
3.	
4.	

Research Plan Please attach a descriptive outline of your research project area (600 words) on a separate sheet.
--

Supervisor's report: Has attendance and progress been satisfactory? Please detail, Yes, attendance and progress have been satisfactory. Specific problems identified: None. Other comments: None.
--

Academic Mentor: In addition to the supervisor or supervisors, all students must have an academic mentor. The main role of the academic mentor is a pastoral one. It is not intended that the academic mentor should act as a second supervisor or co-supervisor. Each research group has one academic members of staff assigned as an academic mentor for all the PGR students in the group. Your academic mentor: GAVIN DAVIES Have you met with your academic mentor? <input checked="" type="radio"/> Yes <input type="radio"/> No

The Research & Training Plan has been discussed, by student and supervisor(s), and agreed.
